

Instructions for Personalized Learning Trainers (PL Trainers)

Introduction to Personalized Learning

The purpose of the *Introduction to Personalized Learning* session is acquaint principals, teachers, and other STTJ personnel to personalized learning and to explain the Personalized Learning Academy, the year-long project to implement personalized learning in our schools and classrooms.

The PowerPoint provided for Introduction to Personalized Learning is designed for a 90-minute session. If you have more time available, you may extend the discussions.

Materials for this Session

1. Instructions for Personalized Learning Trainers (this document)
2. A Facilitator's Guide (includes notes for PowerPoint slides)
3. Sign-in form for participants
4. A Guided Notes document (you will need one copy for each participant)
5. A post-session Participant Survey (you will need one copy for each participant)

At the conclusion of the session, please enclose the sign-in form and completed Participant Surveys and give them to Jeune Provost.

Enjoy the sessions! You are introducing district personnel to exciting ways to reach more students and improve their learning.
