Introduction to Personalized Learning
Virgin Islands Department of Education
Fall, 2016

About us: The Center on Innovations in Learning (CIL) is one of seven national content centers funded by the United States Department of Education. The Center on Innovations in Learning’s mission is to (a) increase the capacity of state education agencies (SEAs) to stimulate, select, implement, and scale up learning innovations in local education agencies (LEAs) and schools to improve learning outcomes for all students; and (b) increase the capacity of regional comprehensive centers (RCCs) to provide technical assistance to SEAs relative to the Center’s scope of responsibility.
